✚ SWISS STYLE ✚

Find what is lost and protect your personal data.

Each day thousands of objects are lost world-wide: luggage, keys, cameras, cell phones, electronic devices, bicycles, sports gear, pets, clothes, books.... The great majority of lost items cannot be returned because there is no owner identification on them.

Tagged4U.com offers different types of Tags and an anonymous web service to help find lost items around the world in a secure, easy and fast way without disclosing personal data. Be contacted via email and cell phone by text message/SMS!

Tagged items also offer protection against theft.

## How it Works

Buy Tags and register them at [www.Tagged4U.com](http://www.Tagged4U.com) entering your email address and cell phone number. NO other personal data is requested. Place Tags on items you wish to secure. When your lost item is found you should receive a message from the finder.

## PROMOTE YOUR BUSINESS with Tagged4U.com

Tagged4U.com Lost&Found Tags and Web Service is a great way to promote your business!

Tagged4U connects the owner of any belonging to whomever finds a lost item, without disclosing an email address, cell phone number or any other personal data.

Large volume orders of Tagged4U.com tags can be PERSONALIZED with your own LOGO.
